LiftUp's Summer Lunch Program

Dear Parents,

Just as learning does not end when school lets out, neither does a child's need for good nutrition. LiftUp is once again offering weekly meals for school-aged children during the summer, free of charge. We believe nutritious meals will help us better meet our goal to support the health, well-being and performance of Routt County's school-aged children.

Our **Rocket Pack Program** will start the week after your child's last day of school. Once the **Rocket Pack Program** begins, we will provide sack meals to participating students. Those students and/or their parents will be able to come to our food bank in either Steamboat Springs or in Oak Creek to pick up their bags. **(Don't forget to bring ID!)** We will have the bags available starting on Mondays in Steamboat or Tuesdays in Oak Creek. We will be open Monday-Friday from 1-5 in Steamboat Springs and we will be open Tuesdays and Thursdays from 9:30-11:30 in Oak Creek.

If you believe that your child would benefit from this assistance, please register him/her using the application form on the back of this page. **Once you have completed the form, please drop it off at any of our LiftUp Food Bank locations.**

For questions or concerns, please contact Jeff Modesitt or Angela Mackey (Spanish translator) at LiftUp (970) 870-8804.

We are looking forward to helping your child have a productive and positive summer!

Sincerely,

Jeff Modesitt
