LiftUp's Summer Lunch Program

Dear Parents,

Just as learning does not end when school lets out, neither does a child's need for good nutrition. LiftUp is once again offering weekly meals for school-aged children during the summer, free of charge. We believe nutritious meals will help us better meet our goal to support the health, well-being and performance of Routt County's school-aged children.

Our **Rocket Pack Summer Lunch Program** will start on June 6th. Once the **Rocket Pack Program** begins, we will provide meals to participating students. Those students and/or their parents will be able to come to our food bank in Steamboat (or additional locations below) to pick up their bags, which will provide a week's worth of lunches for the participating child. **(Don't forget to bring ID!)** We will have the bags available:

- Tuesdays, 1:00 – 5:00 pm in Steamboat, 2095 Curve Ct.
- Tuesdays 9:30 - 11:00 am in Oak Creek, 227 Dodge Ave.
- Wednesdays 11:00 am – 1:00 pm in Hayden at the Hayden Center, 495 Jefferson Ave.

If you believe that your child would benefit from this assistance, please register him/her using the application form on the back of this page. **Once you have completed the form, please drop it off at any of our LiftUp Food Bank locations or email to food@liftuprc.org before the end of the year.**

For questions or concerns, please contact Florence Carlucci at LiftUp (970) 875-3442.

We are looking forward to helping your child have a productive and positive summer!

Sincerely,
Florence Carlucci
